Materials: 1 roll #9 La Espiga nylon color #75

Size D aluminum crochet hook

Fray Check - Dabbing fray check on the ends is necessary when using nylon thread which ravels easily. When coming to an end or changing colors work over the thread just like yarn but leave a little more thread. Then clip close to the stitches and immediately dab Fray Check on the end and the surrounding area on the inside of your work. It can darken the thread so dab lightly but make sure it's saturated.
